Clemson pride ran high as dancers went “all in” to support Children’s Hospital.

Clemson Miracle—Children’s Miracle Network Hospitals Dance Marathon

In the spirit of “paying it forward,” hundreds of Clemson University students join Clemson Miracle each year to stand, celebrate and dance for 12 energetic hours—all for the sake of children who can’t. Since 2009, Clemson Miracle participants have danced their way to raising funds in support of GHS Children’s Hospital.

With a fundraising motto of “All In for 110,” Clemson Miracle surpassed its goal by raising \$126,848.54 following the April 1 event! Proceeds from the dance marathon are expected to be distributed throughout 2018 to Children’s Hospital.

Clemson Miracle partnered with Children’s Miracle Network Hospitals in 2009 and has since amassed over \$294,681 in support of Children’s Hospital. Now, that’s a party with a purpose!

Entercom Upstate

Since 2007, Entercom Upstate's family of stations has supported Children's Hospital Radiothon by granting radio airtime, support, advertisement and access for the Upstate to give back more than \$2.4 million over the past decade.

In honor of their commitment, the fifth floor fish tank playroom was renamed the Entercom Playroom during a March 10 luncheon and plaque-unveiling ceremony. Representatives from each of Entercom's seven stations—106.3 WORD, ESPN Upstate, Classic Rock 101.1, 93.3 The Planet, Magic 98.9, B93.7 and 96.3 The Block—were in attendance.

Radiothon is the largest fundraising event for Children's Hospital. This year, Entercom celebrated its 10th anniversary as a proud GHS partner during Radiothon's annual event August 3-4.
